

Hi everyone,

Below is the table that sets out the work for this week. Below the table is a list of ideas from this week's theme 'Ireland'. Your daughter may enjoy some of these activities.

As you know, we will also start using SeeSaw this week. Your passcode has been emailed to those who filled out permission on the school website. We will be using it from Tuesday. We are currently aiming to do one SeeSaw activity a day; however, we will post all of the week's activities at the beginning of the week for planning purposes. We will review how it is working and may change as time goes on. Feel free to use SeeSaw to upload work that your daughter is doing from the table for feedback/communication from class teacher.

For any questions this week, **parents from both classes** can contact Ms O'Donovan at:
