First class work list 20<sup>th</sup> – 24<sup>th</sup> April 2020

\*For Maths this week –

If it is possible to make groups of ten using straws/lollipop sticks/pencils with elastic bands it will make this weeks Maths easier for your child to understand using visuals.

A few extra activities –

- Directed drawing

<https://proudtobeprimary.com/how-to-draw-a-butterfly/>

- Rainbow rice- messy but fun – you will need a large container and may be better to play with this outside if possible!
