Hi Girls, Welcome back to another week of remote learning!! I hope you and your families are keeping well. Well done to you all-I know studying at home can be difficult but you are all doing great. Don't be worried if you find some of the maths work on length that I've assigned challenging– all you can do is try your best with it and use the rules for kg/g and l/ml . Avril has started a drama module on the school website and she is running a poetry competition. Perhaps you could compose a poem as part of your English work this week. All submissions are to be emailed to ocallaghanavril@gmail.com There are also some art activities which might interest you on <http://www.glucksman.org/events> . I hope you enjoy the see saw activities I have assigned! I've included websites you can access if you would like to do extra activities but these are optional and if for any reason you can't access a laptop/ipad, that's okay. Once again I hope you are keeping the social distancing rules, washing your hands and staying happy. This week's whole school theme is 'Summer':

Good luck and enjoy your week.

Ms.Barrett
