

11<sup>th</sup> – 15<sup>th</sup> May 2020

Hi girls!

Thank you so much to all the girls who sent me Seesaws and emails last week. It was so really nice to get them!

The email address for 6<sup>th</sup> class =

[sixthclass1@glasheengirlsns.com](mailto:sixthclass1@glasheengirlsns.com)

Feel free to contact me with work the girls have done, any questions you may have or just to say hello!

Starting last week, I added explanations of the maths activities from Busy at Maths on Seesaw. This is because the chapters that we are doing now we have not done before and some parts are a little tricky. I have gone through every activity so make sure you watch it for help! I will also do it for Irish to help with your understanding. Hopefully these will help. Let me know if there's anything else I can do to make not being in school easier for you!

	<p>they you win."</p> <p>Choose the Gandhi quote that stands out the most to you as being influential. In your answer you should use the method PEE (point, evidence, explain) to explain your answer properly. This means that in this answer, you name the quote you chose (you've made a point), explain some scenarios that you think it has influenced people's thoughts or actions (evidence) and explain your reasoning. There is no wrong answer here. It's entirely your opinion.</p>
