**Note:	Parents- you may find that some pages are not finished in some of the books as we come to the end of the school year. This may be due to missing a day or may not have been completed by myself or Ms. Casey during school. Feel free to complete these in your own time over the summer if you wish! 😊				

Oral language	<ul style="list-style-type: none"> • Read-aloud 'Oh The Places You'll Go' https://www.youtube.com/watch?v=fmOCyP4VyP4 • Try and find five sets of rhyming words in this story.
Phonics	<ul style="list-style-type: none"> * Phonics games available on this website. (Username:march20 password: home) Senior infants can try the phase 1, 2 or 3 activities. https://www.phonicsplay.co.uk/freeIndex.htm# * Allow your child to think of as many words with that sound. Ask them to put a couple of their suggestions into sentences and write some sentences using these words. * Geraldine the giraffe has some great videos on YouTube to help your child revise all of the letter sounds and digraphs which we have covered in senior infants. This week try and focus on these two sounds: <p>Links:</p> <p>'wh'- https://www.youtube.com/watch?v=vuYZVrh1iPc</p> <p>'th' - https://www.youtube.com/watch?v=6U354eD-hgQ</p>

Tricky words

Maths

Activity 1:

Maths trail - the booklet is available on the school website on the Senior Infants section and I will also post it on Seesaw. A great way to revise all of the maths we have covered in a fun way!

Activity 2:

Pattern hunt. Try to create as many patterns as you can using things that you would find in your garden or in your local area. Patterns are everywhere in nature, we just have to look for them! 😊

Activity 3:

Listen to the story of 'How Big is a Foot' and talk about the story

Rainbow art ideas:

I came across some nice rainbow art activities this week and I thought it would best to just post them all in case anyone is looking for some art ideas!

'How to draw' tutorials:

These videos are also really child-friendly and teach you to draw in a step by step format. There are lots to choose from but I just attached a few that I thought were cute!

Summer

Look at the picture. Talk about what is going on in the picture.

1. What time of year is it? How do you know this? What clues can you find in the picture?
2. What do you notice about the colours found in nature in this picture? What do the colours tell you about what is going on?
3. Who is in the picture and what are they doing?
4. How is the man cooking and how is this different to normal cooking indoors?
5. What things would the man need to cook food on the barbecue?
6. What foods would cook well on the barbecue?
7. What food would you most like to eat if you were at a barbecue?
8. Where will the people eat their food once it is cooked?
9. Why do the children enjoy playing in the pool and water so much?
10. What activities do you enjoy doing most during the summer?
11. The people in this picture are enjoying being in the garden during summer. What other places do people like to visit during the summer?
12. Which season will come next after summer is over? What will this season be like?
13. Why do most children like summer?
14. Why do most adults like summer?
15. What special events happen in summer?
How do we celebrate these special occasions?
